NOTICE

Hope all of you and your family members are safe. We believe that you have settled down yourselves in this difficult situation. You are aware that all the National Technological Institutes, including NITS have started academic activities through online instructional mode. In line with this, it is high time for us to start the academic activities through similar online instructional mode. We request all the faculty members to utilize this time to the fullest extent for engagement in completing the post mid semester content in terms of developing instructional materials as per their own pedagogy. Different methodology may be adopted as per the communication received from the Secretary Ministry of Human Resource & Development, Govt. of India vide letter D.O. No. Secy/(HE)/MHRD/2020 dated 21st March, 2020.

Different online platforms e.g. Easyclass, Zoom classroom, Microsoft Teams, Hypersay, Nearpod, Google Classroom, Edmodo, Mentimeter etc. may be suitably used by faculty members in an effective way.

It is requested to send the material to the respective Class Representative of the class for circulation among their classmates.

Further, it is requested to prepare the assignment sheet on the basis of course content for each week. Students need to be instructed to submit the solutions of the assignment and the respective course coordinators are requested to evaluate the submitted assignment sheet.

If you face any concern regarding online instructional mode, please feel free to contact to any of the following faculty members:

Sl No.	Name of faculties	E-mail ID	Mobile No.
